The Central Office will be going back to curbside and mail out orders only until further notice. We apologize for any inconvenience, but we want to keep everyone as safe as possible. With cases on the rise again, we cannot be too careful. Thank you for your understanding!

We also have a new office assistant!! Her name is Jennifer B! Next time you call or come by please say hi

We will continue to mail out your group's flyers/schedules/events with our monthly CoffeeBreak.

Please email or mail them to me by the 25th of each month so we can include it in our next mailer.

One last thing! Please check your group schedule and online links/schedule/IDs/passwords and let me know if it needs to be updated or corrected. We must have a name and contact phone number for all online meetings listed on our site

Thank you and be safe!!
