STEP EIGHT

“Made a list of all persons we had harmed and became willing to make amends to them all.”

“Now we need more action, without which we find that “Faith without works is dead.” Let’s look at *Steps Eight and Nine*. We have a list of all persons we have harmed and to whom we are willing to make amends. We made it when we took inventory. We subjected ourselves to a drastic self-appraisal. Now we go out to our fellows and repair the damage done in the past. We attempt to sweep away the debris which has accumulated out of our effort to live on self-will and run the show ourselves. If we haven’t the will to do this, we ask until it comes. Remember it was agreed at the beginning *we would go to any lengths for victory over alcohol.*”

TRADITION EIGHT

“Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.”

“ALCOHOLICS ANONYMOUS will never have a professional class. We have gained some understanding of the ancient words “Freely ye have received, freely give.” We have discovered that at the point of professionalism, money and spirituality do not mix. Almost no recovery from alcoholism has ever been brought about by the world's best professionals, whether medical or religious. We do not decry professionalism in other fields, but we accept the sober fact that it does not work for us. Every time we have tried to professionalize our Twelfth Step, the result has been exactly the same: Our single purpose has been defeated.”

CONCEPT SEVEN

“The Trustees of the General Service Board act in two primary capacities: (a) With respect to the larger matters of over-all policy and finance, they are the principal planners and administrators. They and their primary committees 2 directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities.”
