***** WE NEED LOTS OF VOLUNTEERS! *****

LIST OF COMMITTEES AND DUTIES ON BACK → →

Chili Cookoff Committees

Set up and tear down: Arrive early and prepare aa rooms for the event. Set up tables for registration, chili contestants and room for meeting. Will also need several power strips and extension cords. After event, put away tables and clean up. This can be one large committee or separated into two.

Registration / Tickets: Sign in participants, contestants and attendees. Sell tickets and collect funds.

Cake Walk: Collect and gather cakes and deserts for cake walk. Provide music for the event, and possibly a sound system. Have assistance to gather the participants for each walk.

Food: Not everyone eats chili!?!? In the past the food was chicken, chips, veggies, or other items determined by this committee and deserts, to be separate from the things for the cake walk. Will need plates, plastic ware, napkins.

Drinks: Water, soda, and coffee, with someone to make sure coffee is always available. Along with ice and ice chests to keep the drinks cold. Will need cups for coffee and other drinks.

Please get the items donated as all funds raised are for the Central Office Prudent Reserve.
