## **An important message from CD6:**

Hope you are having a Wonderful Week. Just want to let you know that District 64 voted to stop participation with CD6. Thus, CD6 will cease to exist as an operating entity. District 62 will keep the name only, in hopes that perhaps someday we may come together, stronger than ever to Serve Great Fort Worth, without having to remain in our District Borders. The purpose for maintaining the name is because it takes a lot of time and energy to start up a new Not for Profit Organization. Distributions will be made to Fort Worth Central Office, NETA65 and GSO, leaving a Zero / 0.00 balance. Therefore, no contributions should be made to CD6 after 12/31/21. If a check is received after that date, the check will be returned to the insurer.

Thank you,

for your continued Service in AA.

Love and Service, Jamie C ~ DCM62

## ***Big Book Quote of the Month***

**“...Resentment is the ‘number one’ offender. It destroys more alcoholics than anything else. From its stem all forms of spiritual disease, for we have been not only mentally and physically ill, we have been spiritually sick.”**

Used with permission of AAWS, Inc. Big Book pg.64

## **STEP 4**

### **“Made a searching and fearless moral inventory of ourselves.”**

“Next, we launched out on a course of vigorous action, the first step of which is a personal housecleaning, which many of us had never attempted. Though our decision was a vital and crucial step, it could have little permanent effect unless at once followed by a strenuous effort to face, and to be rid of, the things in ourselves which had been blocking us. Our liquor was but a symptom. So, we had to get down to causes and conditions.

Therefore, we started upon a personal inventory. *This was Step Four.* A business which takes no regular inventory usually goes broke. Taking a commercial inventory is a fact-finding and a fact-facing process. It is an effort to discover the truth about the stock-in-trade. One object is to disclose damaged or unsalable goods, to get rid of them promptly and without regret. If the owner of the business is to be successful, he cannot fool himself about values.”

## **TRADITION 4**

### **“Made a searching and fearless moral inventory of ourselves.”**

“How instincts can exceed their proper function. Step Four is an effort to discover our liabilities. Basic problem of extremes in instinctive drives. Misguided moral inventory can result in guilt, grandiosity, or blaming others. Assets can be noted with liabilities. Self-justification is dangerous. Willingness to take inventory brings light and new confidence. Step Four is beginning of lifetime practice. Common symptoms of emotional insecurity are worry, anger, self-pity, and depression. Inventory reviews relationships. Importance of thoroughness.”

## **CONCEPT 3**

“On behalf of A.A. as a whole, our General Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the General Service Board of Alcoholics Anonymous..”

“Just as the A.A. groups find themselves unable to act decisively respecting world service affairs unless they delegate a great amount of active authority and responsibility to their Conference, so must the Conference in turn delegate a liberal administrative authority to the General Service Board, in order that its Trustees may act freely and effectively in the absence of the Conference itself...”
