STEP VIII

“Made a list of all persons we had harmed and became willing to make amends to them all.”

“Now we need more action, without which we find that “Faith without works is dead.” Let’s look at *Steps Eight and Nine*. We have a list of all persons we have harmed and to whom we are willing to make amends. We made it when we took inventory. We subjected ourselves to a drastic self-appraisal. Now we go out to our fellows and repair the damage done in the past. We attempt to sweep away the debris which has accumulated out of our effort to live on self-will and run the show ourselves. If we haven’t the will to do this, we ask until it comes. Remember it was agreed at the beginning *we would go to any lengths for victory over alcohol.*”

TRADITION VIII

“Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.”

“At the Foundation, the same story repeats itself. Eight tons of books and literature per month do not package and channel themselves all over the world. Sacks of letters on every conceivable A.A. problem ranging from a lonely heart Eskimo to the growing pains of thousands of groups must be answered by people who know. Right contacts with the world outside have to be maintained. A.A.'s lifelines have to be tended. So we hire A.A. staff members. We pay them well, and they earn what they get. They are professional secretaries, * but they certainly are not professional A.A.'s.”

CONCEPT VIII

“The Trustees of the General Service Board act in two primary capacities:

(a) With respect to the larger matters of over-all policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities..”
