

## Northeast Texas Area 65

# District 62

Your district is a liaison between the area and the group.

**GSRs** & all committee chairs at the group level are invited to join District 62 bi-monthly meetings. These meetings are designed to relay information from the Area (NETA65) to the Groups.

When committee positions are filled, your district holds monthly meetings for Grapevine, Treatment Center, Corrections, CPC/PI, Intergroup Liaison, and Accessibilities. When committee positions are not filled, we suggest you attend NETA65.org to find out when the Area holds monthly meetings and provide that information back to your group or apply it in your service position.

**GROUPS** Encourage your committee chairs to attend district meetings. If group committee chairs are not participating in district meetings, it is suggested they attend [NETA65.ORG](https://NETA65.ORG) monthly zoom calls, or in-person meetings. Some are hybrid (held both in-person and online). For more information on when your committee meets, visit the Events page at neta65.org.

## Looking to be of service?

These Trusted Servant positions are open:

Treatment Center

Corrections
